2. (Unclassified - CMW) CONSTITUENT Received calls from Brenda Foschia, on the staff of Representative Robert C. McEwen (R., N. Y.), and Meredith Wilson, on the staff of Representative John Buchanan (R., Ala.), for any information we can give them on CIA activities. Sent to each office a package of material including the Agency publication on the CIA, various news clippings, a bibliography of books on Intelligence Services, and Mr. Colby's nomination and address from the Congressional Record. A complete package of these materials is being kept for any further requests of this type

3. (Internal Use Only - LLM) LIAISON Called Les Janka, NSC staff, and advised him of the outcome of our session with Richard Perle, Permanent Subcommittee on Investigations, Senate Government Operations Committee, including the fact that while some of the suggestions for deletions in the 11 February 1975 transcript before the Arms Control Subcommittee of Senate Armed Services Committee, not falling in the intelligence sources and methods area had been accepted, a number would not and it is clear that Perle will look to other than Mr. Colby to provide the justification for them. I asked Janka to report this to Bud McFarlane, also of the NSC staff.

9. (Internal Use Only - GLC) INTELLIGENCE BRIEFING

Talked to Lewis Hunter, GAO, in response to his call yesterday and told him that I had made arrangements for Bob Brady, of his staff, to come to the Agency for a briefing on Spain at 4:00 p.m. this afternoon. I reiterated that this briefing should be for GAO's background purposes only and also that neither at Headquarters or in the field would we discuss Agency operations with Brady. Hunter said he understood completely and would be sure that Brady did also.

10. (Confidential - GLC) HEARING Late in the day, Mr. Elder called to advise me of a call he had received from William Miller, Senate Select Committee staff, indicating that at a meeting this afternoon, the Select Committee decided that Senator Edward M. Kennedy (D., Mass.) had a legitimate interest in obtaining the information on behavioral testing and related activities which he had requested from the Agency and, therefore, the Senate Select Committee did not propose to take any action with Senator Kennedy on the basis of the Director's letter yesterday.
